

BUSINESS DIRECTORY FOR WOOD ISLANDS AND AREA – ANY INTEREST???

The Wood Islands and Area Development Corporation (WIADC) is compiling a list of the businesses, large and small, which are currently operating within our area. The intent is to establish a business guide for everyone in this area and surrounding areas to use when seeking services of any kind. Many of us are unaware of the many services available in our own neighborhood and hopefully such a guide would encourage people to shop locally for almost any product or service. If you are the operator of a business, of any size, and would like to be included in such a guide, please contact the WIADC by phoning Walter at 962-3189 or Marcia at 962-3242.

We welcome your calls and hope you will participate in this local endeavor. Wood Islands and area includes Flat River, Belle River, Lewes, Caledonia, Mount Vernon, Wood Islands, Little Sands and Culloden. Businesses in immediate adjacent areas also welcome.
